ATTENDANCE POINT SYSTEM (APS) Addendum (as of March 20, 2024)

I. Progression Flexibility Based on Absenteeism:

Depending on the number of points accrued by the employee, progression can be expedited due to excessive absenteeism. An individual will receive a Notice to Explain (NTE) based on their current points.

Example:

- If an employee's points reach 12 without receiving a Verbal Warning or First Written Warning, they will receive a Final Written Warning.
- For 15 points and above, they may receive an NTE for Suspension or Administrative Hearing without prior warnings.

ATTENDANCE POINT SYSTEM (APS) Addendum (as of March 20, 2024)

II. Second Administrative Hearing Protocol:

After the first administrative hearing, the accumulation of another **3 points** following the notice of decision will subject the individual to a second administrative hearing. This information will also be included in the Notice of Decision.

III. Clarification on Critical-Work Day (CWD) Sanction:

For CWD, if the manager requests to apply this sanction based on the handbook, the employee's APS points will not be marked as CWD. If the APS points are marked as CWD, no separate NTE will be sent to the employee.

ATTENDANCE POINT SYSTEM (APS) Addendum (as of March 20, 2024)

IV. Handling 'Getting 3 Sanctions within 6 Months:

This provision applies to individuals experiencing attendance issues over a 6-month period without showing improvement. Due to the fluctuation of points within a certain progression level, employees are subject to receive a suspension **NTE for Gross and Habitual offenses.**

Sample for fluctuating equal to or more than 3 points, which is subject to repetitive verbal warning:

Attendance	Final Points
Jan 16 - Absent + 3 points	3
Feb 15 - Rollback - 1 point	2
Feb 16 - Absent + 3 points	5
April 17 - Rollback - 4 points	1
Apr 18 - Absent + 3 points	4
Jun 18 - Rollback - 4 points	0
Jun 19 - Absent + 3 points	3

ATTENDANCE POINT SYSTEM (APS) Addendum (as of March 20, 2024)

V. Validity of NTEs:

The validity of NTEs varies based on the type: NODs for Verbal Warnings, First Written Warnings, and Final Written Warnings will be void if no additional points are accumulated within six (6) months. NODs for Suspensions and Administrative Hearings will expire after twelve (12) months or if points reset back to 0 after rollback, whichever comes first.

VI. NTE Issuance and Progression:

For points that do not accumulate within 60 days and have not resulted in any NTEs, we are not permitted to issue an NTE beyond this period. Another NTE can only be issued if another point is accrued. Depending on the number of points accrued, we may skip a progression step and issue a Final Written Warning, Suspension, or Administrative Hearing immediately. However, special cases may arise where suspension dates are scheduled based on the Operations' requirements.

ATTENDANCE POINT SYSTEM (APS) Addendum (Effective: April 14, 2025)

II. Critical Work Day Policy

Usage of Sick Leave credits on Critical Work Days will require an approved medical certificate or supporting documents, regardless of whether it is a single or multiple-day absence.

III. Exclusion of LOA/ML/MedLOA for Rollback Days

- Employees on **Leave of Absence (LOA), Maternity Leave (ML), or Medical Leave of Absence (MedLOA)** will not have rollback days deducted from their attendance records.
- The **rollback day count will be paused** during the period of LOA/ML/MedLOA and will resume once the employee is back on duty.

ATTENDANCE POINT SYSTEM (APS) Addendum (Effective: April 14, 2025)

IV. Limited Acceptance of APS Waiver Documents

- Employees must **submit supporting documents within 5 calendar days** from the issuance of the **Notice to Explain (NTE)** to be considered for APS waiver.
- Documents submitted after the issuance of the Notice of Decision (NOD) will not be accepted. This rule will be strictly implemented without exceptions.

ATTENDANCE POINT SYSTEM (APS) Addendum (Effective: April 14, 2025)

V. Accepted Documents for APS Waiver

Only the following documents will be accepted for waiving APS points:

- **Medical documents of the employee/medical documents of an immediate family member** (proof of hospitalization, medical emergency, or death).
- **Government-related documents** (e.g., police reports, court summons, or any legal document requiring the employee's presence).
- **Other emergency-related documents** that clearly explain the cause of absence, subject to **RTA/Management approval**.

ATTENDANCE POINT SYSTEM (APS) Addendum (Effective: April 14, 2025)

VI. Non-Accepted Documents for APS Waiver

The following documents **will not be accepted** as they do not fall under emergency situations:

- **Flight or travel details**
- **School-related documents** (e.g., exams, school activities, or any academic commitments)
